**SUMMARY OF PROCEEDINGS**  
**FINDINGS OF FACT AND CONCLUSIONS OF LAW**

**SUMMARY OF PROCEEDINGS**

1. On July 9, 2003, a petition designated as Docket #03-AP-2 was filed with the State Boundary Commission requesting annexation of territory in Portland Township to the City of Portland, as described in Attachment A.
2. On September 25, 2003, at an adjudicative meeting, the State Boundary Commission determined the legal sufficiency of the petition. The petition was declared to be legally sufficient, and the Commission expanded the area to be considered for annexation, pursuant to Public Act 191 of 1968, as amended, and Public Act 279 of 1909, as amended.
3. On October 30, 2003, the Boundary Commission held a public hearing in Portland Township, Michigan, to receive testimony regarding the proposed annexation pursuant to Public Act 191 of 1968, as amended.
4. During the 30-day period following the October 30, 2003 public hearing, the Commission received a request from the attorney for American Gas and Oil Company, a property owner in the expanded area, to conduct a supplemental public hearing because the company did not realize that their property was included in the expanded area and, therefore, did not attend the October 30 public hearing.

5. On January 15, 2004, at an adjudicative meeting, the Boundary Commission received comments from the attorney for the township who reiterated the request of American Gas and Oil to schedule a supplemental public hearing. The date for a supplemental public hearing was established at this time.
6. On February 19, 2004, a supplemental public hearing was held in Okemos, Michigan, to receive testimony, pursuant to Boundary Commission Administrative Rule R 123.69.
7. On April 15, 2004, at an adjudicative meeting, State Boundary Commissioners VerBerg, Walker, Ishbia, Barley, and Reisbig, voted to temporarily postpone for approximately two months the Commission's proceeding on Docket #03-AP-2. This motion was in consideration of the status of a tentative intergovernmental agreement being negotiated between Portland Township and the City of Portland to transfer jurisdiction of property proposed for annexation in Docket #03-AP-2.
8. On June 4, 2004, the State Boundary Commission received a copy of the inter-governmental agency agreement, pursuant to Public Act 7 of 1967, as amended, signed between the City of Portland and Portland Township, and filed with the Secretary of State, Office of the Great Seal, on June 4, 2004. This agreement includes all of the property identified for annexation as filed with the Commission on July 9, 2003, in Docket #03-AP-2, and also the American Gas and Oil property which is part of the territory expanded by the Commission on September 25, 2003, in Docket #03-AP-2.
9. On June 17, 2004, at an adjudicative meeting, State Boundary Commissioners voted unanimously to approve a motion to recommend that the Director of the Department of Labor & Economic Growth deny the annexation of Docket #03-AP-2, and that Boundary Commission staff prepare draft Summary of Proceedings, Findings of Fact, and Conclusions of Law.
10. On June 17, 2004, at an adjudicative meeting, State Boundary Commissioners voted unanimously to recommend approval of the draft Summary of Proceedings, Findings of Fact and Conclusions of Law, and to recommend that the Director of the Department of Labor & Economic Growth sign the attached Order to deny the subject annexation and adopt the Summary of Proceedings, Findings of Fact and Conclusions of Law.

## **FINDINGS OF FACT**

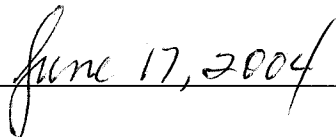

1. The territory proposed for annexation is subject to an intergovernmental agency agreement pursuant to the Urban Cooperation Act, Public Act 7 of 1967, as amended, between the City of Portland and Portland Township. The Agreement was filed with the Secretary of State, Office of the Great Seal, on June 4, 2004. This agreement includes all the

property identified for annexation as filed with the Commission on July 9, 2003 (described in Attachment A, and in Attachment B as Parcel 1), in Docket #03-AP-2, and the American Gas and Oil property (described in Attachment B as Parcel 2), which is part of the territory expanded by the Commission on September 25, 2003, in Docket #03-AP-2.

The record of this docket supports the Commission's recommendation that the Director of the Department of Labor & Economic Growth sign the attached Order to deny the annexation of territory in Docket #03-AP-2, and adopt the Summary of Proceedings, Findings of Fact, and Conclusions of Law.
